## 期刊信息大要

### *(Journal Information)*

---

10. 宗旨及范围:  
(*Aims and scope*)  
The *Journal of Business Ethics* publishes only original articles from a wide variety of methodological and disciplinary perspectives concerning ethical issues related to business that bring something new or unique to the discourse in their field. Contributors examine moral aspects of systems of production, consumption, marketing, advertising, social and economic accounting, labor relations, public relations and organizational behavior. In order to promote a dialogue between the various interested groups as much as possible, papers are presented in a style relatively free of specialist jargon.
